

PPSST!

Do you have some time to help folks who could use a helping hand offered in the Name of Jesus? Once again, St. Matthew folks will be distributing empty sacks in sections of Logan on one Saturday, each sack will have a note attached asking our neighbors to join us in providing peanut butter, pasta, tomato sauce, soup, or tuna for others in our community who are going through hard times. On the following Saturday our neighbors will leave the food items in the sacks that we provided for them. That's when St. Matthew folks will go to pick up the items and bring them back to the church building to be distributed by our friends at Job & Family Services. We'll meet at 9:00 am on Saturday, May 14 to be given our routes and take the empty sacks to the folks who live on them. We'll start picking up the filled sacks no later than 11:00 am on Saturday, May 21. Please begin praying now that God will use this event to bring glory to Christ and help neighbors in need. Please also plan on participating on both May 14 and 21. You will enjoy it!

Local Mission Planned for Youth

The St. Matthew Youth Group has decided not to go to the IMPACT youth gathering this summer. Instead, they will do another local mission, June 13 – 17, taking on service projects in Logan and Hocking County. If you know someone who could use the help of our youth with clean-up, planting, painting, weeding, or other such projects, let Pastor Mark know. If any adults are able to help, please contact Pastor Mark.

Evangelism and Membership Committee Projects

The Evangelism and Membership Committee is getting ready to take on two important upcoming projects. **Friend Day**, which will happen in November, will be a special day when our non-churchgoing friends, neighbors, co-workers, and classmates will be with us for *a day they could remember for all eternity*. The other project will be a new **St. Matthew pictorial directory**. If you would like to be part of this group, please contact Jim Kalklosch.

Special Summer Music

Summer will soon be here and that means that both our senior and youth choirs will take a break. During the summer, special music is often shared. The church council has decided to ask folks who may be interested in sponsoring a Sunday of special music to consider making a special offering to support it. Your offering may be used to purchase sheet music, accompaniment recordings, or to compensate a musician. If this is something you would be interested in doing, just place your check, with an appropriate note on the memo line, in the Sunday offering plate. Thank you!
