There will be two practices held at Immanuel United Methodist Church: one will be held September 7 from 8:00 – 8:45am and the other will be held September 11 from 1:15 – 2:15pm. The service will then happen on Sunday, September 11 starting at 2:30pm in front of the Hocking County Courthouse.

Servanthood Evangelism

If you would like to contribute funds to support the servanthood evangelism of St. Matthew’s kindness outreaches, please write a check to St. Matthew and list SERVANTHOOD EVANGELISM or KINDNESS OUTREACHES on the memo line. Evangelism and Membership Committee Projects

The Evangelism and Membership Committee is getting ready to take on two important upcoming projects. **Friend Day**, which will happen in November, will be a special day when our non-churchgoing friends, neighbors, co-workers, and classmates will be with us for *a day they could remember for all eternity*. The other project will be a new **St. Matthew pictorial directory**. If you would like to be part of this group, please contact Jim Kalklosch.

Bible Discussion Groups Continue

Even though Pastor Mark will be away on August 10, the weekly "Read the Bible in a Year" discussion groups will happen. Joy Bolander will lead the discussions at 11am and 7pm that day.

Spread Kindness Worldwide!

Donate a Personal Care Kit or donate to purchase one. Help WELCA meet their goal of 92 Kits. Last year the congregation was very generous and we had an all-time high of 92 Kits donated. We would like to do that again this year. We are not half way yet and we have a mid-September due date. Please help WELCA spread some kindness. The items to be included in the kits have been updated since last year. This year, items to be included are:

- One bath-size towel (approximately 52"x27"), dark color recommended
- Two bath-size bars (4-5oz.) of soap, any brand, in original wrapping
- One adult-size toothbrush in its original packaging*
- One sturdy comb, remove packaging
- One set of metal nail clippers, remove packaging

*Toothbrush multi-packs may be used by sealing an individual toothbrush in a business envelope; no plastic bags or wrap. Do not add other items. All items should be new and in good condition. Wrap all the items in the towel and tie securely with ribbons or yarn. Do not enclose the Kit or any of its contents in plastic bags.
